Circular: 07/2025
Dated- 19-08-2025

Subject: Standardization of Service Connection Charges (1-phase & 3-phase) for Temporary Connections to Puja Pandals under the Licensee Area of WBSEDCL.

During the festive season, particularly Durga Puja, a large number of temporary service connections are provided to Puja pandals under the Licensee Area of WBSEDCL. Presently, service connection charges for such temporary connections are being determined at the local office level, leading to variations in rates across the Licensee Area of WBSEDCL. This often results in grievances from organizers and administrative inconvenience in processing approvals.

Regarding service connection to Puja Pandals, firstly it is to be explored to provide temporary connection with meters. However, if there remains any practical difficulty, then unmetered mode of supply may be explored considering safety aspect.

To ensure uniformity, transparency, and ease of billing, it has been decided to standardize the service connection charges for temporary connections to Puja pandals as per the following:

Applicability:

- All temporary service connections to Puja pandals within the licensee's area of WBSEDCL.
- Charges applicable for the duration of the temporary connection as approved by the competent authority.

Standard Rates:

- **Single Phase (up to sanctioned load of 6 KW) : ₹ 308.00 per point for unmetered connection.**
- **Single Phase (up to sanctioned load of 6 KW) : ₹ 504.00 per point** (including supply of fixing materials and making necessary connection, but Excluding supply of Meter, TW Board and Earthing Device) **for metered connection.**
- **Three Phase (sanctioned load above 6 KW) : ₹ 570.00 per point** (including supply of fixing materials and making necessary connection, but Excluding supply of Meter, TW Board and Earthing Device) **both for metered and unmetered connection.**

Payment Terms:

- Full payment of service connection charges, security deposit, and advance energy charges (If applicable) to be made before release of supply.

Necessary changes in the software may be done by IT&C cell.

All concerned are requested to follow the above scrupulously.
