OFFICE ORDER NO. EDD/ 26

Dated: 19.05.2026

**Subject: Updating prices of different materials (Central & Local Purchase) items for the Financial Year 2026-2027 in respect of 33 KV, 11 KV & LT System.**

Presently the estimation of different schemes are being done on the basis of prices of different materials (Central & Local Purchase) items as per standard schedule published in the FY 2023- 2024 for 33 KV, 11 KV & LT system.

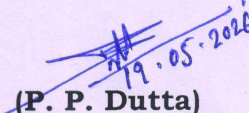

The methodology of updating price has been adopted in line with the guidelines framed by the Corporate Finance Department, WBSEDCL. The updated prices of all Central Purchase items have been confirmed by the Chief Engineer (P & C) WBSEDCL. The prices of Local Purchase items have been updated by considering the average of the available prices for the period of 01.07.2023 to 12.03.2026 as received from the ERP system.

In order to facilitate the process of issuing (T & A) approval for different schemes in ERP system, the material code of each item along with the material description as per the ERP system has been specifically indicated.

The prices as shown against each item are only for estimation purpose and should not be considered as reference for purchase of the same. This practice is to be followed with immediate effect.

This has approval of the Director (Distribution), WBSEDCL dated 15.05.2026.

*Enclosure: Details of updated prices of materials*

  
(P. P. Dutta)

**Executive Director (Distribution)**
